Alat Uji Tarik Manual Presisi 0-490N untuk Kabel dan Terminal WPM-490N

Model No. WPM-490N

SPECIFICATIONS

Model Number	WPM-490N
Rentang Pengujian	0-490N
Tipe Inventaris	5,10,20,30,50
Stroke Grip Slipper	70mm
Stroke Clamping Pincers	9mm
Penyesuaian Chuck	10mm
Berat	20kg
Dimensi	600*185*190mm

Manual tensile tester, Tensile Strength Tester, Wire Harness Tension Tester, Elmendorf Tearing Strength Tester
1. Test the tensile strength of electrical wire and optical conductor;
2. Test the clamping force of the wire and terminal;
3. Test the fixed force of the terminal and insulator;
4. Test the connecting force of the joint or connector.

Testing range 0-490N
Inventory type 5,10,20,30,50
Grip slipper stroke 70mm
Clamping pincers stroke 9mm
Chuck adjustment 10mm
Weight 20kg
Dimension 600*185*190mm
Manual tensile tester
